Important!
Please Do Not Delay.

Immunization records are REQUIRED for class registration.

SUBMITTING YOUR INFORMATION:
Fax (no cover sheet) OR mail the completed page 3 form--and lab reports as needed--to the University of Florida Student Health Care Center at least 3 weeks prior to UF Preview/orientation. (See instructions on page 2.)

NOTE: With the exception of other Florida college/university immunization records, NO OTHER FORMS ARE ACCEPTED.

REVIEW & APPROVAL PROCEDURE:

- Due to high volume, it may take up to 2 business days to process your form. NOTE: The SHCC does not send confirmation that an individual form has been received.

- Check your UF account to see if your immunization hold has been cleared: http://one.uf.edu.

- If you still have an immunization hold, you may call SHCC Special Clinics at (352) 294-7472. NOTE: All inquiries must be initiated by the student unless they are under 18.
Instructions for UF Mandatory Immunization Health History Form

For more information, visit the SHCC web page on immunizations at http://shcc.ufl.edu/immunizations.

Basic Instructions: DO NOT WAIT! Late, incomplete or inaccurate information may delay registration.

☐ Include the student’s UF ID on all correspondence. Print all student information legibly (name, phone, etc.).

☐ Have a doctor’s office, clinic or health department fill out the medical areas of the form. An official stamp AND an official signature from one of these entities must be included for this document to be complete and approved.

☐ MINORS (students under 18): A parent/guardian signature must be included for any signed waivers.

☐ KEEP A COPY FOR YOUR RECORDS. Should anything be amiss, you can easily refer to what was sent to us.

☐ Fax (no cover sheet) OR mail the completed page 3 form—and lab reports as needed—at least 3 weeks prior to UF Preview/orientation. Fax: (352) 392-0938; Mailing Address: UF Student Health Care Center, Immunizations, P.O. Box 117500, Gainesville, FL 32611-7500 NOTE: With the exception of other Florida college/university immunization records, NO OTHER FORMS ARE ACCEPTED.

☐ Check your UF account to see if your immunization hold has been cleared: http://one.ufl.edu. NOTE: Due to high volume, it may take up to 2 business days to process your form. The SHCC does not send confirmation that an individual form has been received. If you still have an immunization hold, you may call SHCC Special Clinics at (352) 294-7472.

Section A: Information about Required Immunizations

1. MMR / MEASLES, MUMPS, RUBELLA VACCINE – Required for EVERYONE born after Dec. 31, 1956. This combination vaccine is given because it protects from Measles, Mumps and Rubella. Two doses are required for entry into the University of Florida. One must have been received on or after the first birthday AND in 1971 or later. The second dose must have been received at least 30 days after the first dose AND in 1990 or later.

☐ OR: Provide lab evidence of immunity by doing a blood test to check for antibodies for Measles, Mumps and Rubella. If you do a blood test, you need to provide the results on a lab form that should be faxed or mailed with the completed Mandatory Immunization Health History Form. ***NOTE: All titers must include a lab report.***

2. HEPATITIS B VACCINE – You are encouraged to receive this vaccine series. Students in many academic health programs are required to have this vaccine. Students wishing to decline this vaccine must read the information about Hepatitis B (available at http://shcc.ufl.edu/immunizations), then check and sign where indicated on the Mandatory Immunization Health History Form. Signing the waiver indicates you understand the possible risk in not receiving this vaccine. If you are under the age of 18 and wish to decline this vaccine, a parent must sign for you.

3. MCV4 (MENACTRA/MENVEO) / MENINGOCOCCAL MENINGITIS VACCINE – The Advisory Committee on Immunization Practices (ACIP) currently recommends this vaccine for freshmen planning to live in campus dormitories/residence halls. Students wishing to decline this vaccine must read the information about MCV4 (Menactra/Menveo) / Meningococcal Meningitis (available at http://shcc.ufl.edu/immunizations), then check and sign where indicated on the Mandatory Immunization Health History Form. Signing the waiver indicates you understand the possible risk in not receiving this vaccine. If you are under 18 and wish to decline this vaccine, a parent must sign for you.

4. Tuberculosis Screening: Required for International Students – Tuberculosis screening by Tuberculin Skin Test, TST (Mantoux) OR by IGRA, Interferon-based Assay lab test (either QFT or Tspot) within one year of registration. The result of the TST needs to be recorded in mm in the space provided on the form and whether considered negative or positive. If you do the blood test – Interferon-based Assay, IGRA, (QFT or Tspot) – then submit a copy of the lab report. If either the TST or IGRA lab test is positive, then submit a copy of the chest X-ray report.

Section B: Optional Immunizations – Not Required

- Td (Tetanus/Diphtheria) or/and Tdap (Tetanus/Diphtheria/Pertussis) – Tdap = Adacel/Boostrix. Booster shot within last 10 years.
- Varicella (Chickenpox) – Provide proof of two doses of Varivax. OR: Provide results of a blood test on a lab form verifying immunity to Chickenpox/Varicella. ***NOTE: All titers must include a lab report.***
- Hepatitis A, HPV, Polio – In this section you may also list any additional vaccines that were administered.
- Meningitis B – Please specify whether Bexsero (2 doses) or Trumenba (3 doses) in the space provided. Newly approved vaccine for bacterial meningitis sero type B. These new vaccines are not interchangeable. View the CDC VIS at www.cdc.gov/vaccines/hcp/vis/vis-statements/mening-serogroup.html.
